

ZH-SDS-01-2026-EN · SAFETY DATA SHEET

Petrolatum Anti-Corrosion Tape

· PIPECOAT Tape · REF NO. 127

ORIGINAL BILINGUAL DOCUMENT

The original safety data sheet for this product is issued bilingually in Chinese and English. The English content below is taken directly from that document without alteration.

Field	Content
Document reference	REF NO. 127
Revision date	July 2025
Original language	Original document is bilingual Chinese / English
Supplier	Nanjing Zhuohuang Industrial Technology Co., Ltd.
Registered address	Building 201, Hengli Industrial Park, No. 399 Xiongzhou South Road, Liuhe District, Nanjing, China
Contact	Tel (0086) 25-8713-5016 · Fax (0086) 25-8713-5016

SECTION 1

Identification of the substance / preparation and company

Product	Petrolatum anti-corrosion tape (PIPECOAT Tape)
Supplier	Nanjing Zhuohuang Industrial Technology Co., Ltd.
Registered address	Building 201, Hengli Industrial Park, No. 399 Xiongzhou South Road, Liuhe District, Nanjing, China
Telephone / Fax	(0086) 25-8713-5016

SECTION 2

Composition / information on ingredients

Product contains	Solid mixture in strip form
Petrolatum	60 %
Inorganic silicate fillers	30 %
Textile fabric	10 %
Risk symbol	Not applicable
Risk phrase	Not applicable
Classification	No ingredients classified as hazardous

SECTION 3

Hazards identification

Classification	This product is not classified as dangerous for supply under the terms of the Chemicals (Hazard Information and Packaging for Supply) Regulations.
----------------	--

SECTION 4

First aid measures

Skin contact	Wash with soap and water.
Eye contact	Wash thoroughly with plenty of water. If irritation persists seek medical advice.
Inhalation	Not considered hazardous.
Ingestion	Seek medical advice.

SECTION 5

Fire-fighting measures

Extinguishing media	Dry powder, CO ₂ or foam.
Protective equipment	Self-contained breathing apparatus may be needed for large fires.

SECTION 6

Accidental release measures

Personal precautions	Grease-resistant gloves should be worn to reduce skin contact. Avoid contact with eyes.
Environmental precautions	Solid product. Prevents no environmental problems if collected and disposed of correctly.
Emergency	This product is not dangerous under normal installation, but releases toxic by-products when burning.

SECTION 7

Handling and storage

Handling	Avoid contact with skin and eyes.
Storage	Store away from strong heat and open flame.

SECTION 8

Exposure control / personal protection

Exposure limits	Not applicable
Respiratory protection	Not applicable
Skin protection	Grease-resistant gloves advised
Eye / face protection	Not normally considered necessary; contact with eyes should be avoided
Other	None

SECTION 9

Physical and chemical properties

Appearance	Yellow greasy product in roll form. No odour.
Boiling point	Not applicable
Melting point	Saturant 140 °F
Vapour pressure	Not applicable
Specific gravity	1.20
Flash point	464 °F (Clevedon open cup)
Flammable limits	Not applicable
Solubility in water	Negligible
Solubility in organic solvents	Soluble
Corrosiveness	Non-corrosive
Oxidising properties	Neutral
Auto-ignition temperature	Not applicable
Evaporative rate	Not applicable
Odour threshold	Not applicable
pH	Neutral
Percent volatiles	None
Volatile organic compounds	None

SECTION 10

Stability and reactivity

Conditions to avoid	Strong heat and open flame
Materials to avoid	None stated
Hazardous decomposition products	In a fire: black smoke, carbon dioxide / carbon monoxide

SECTION 11

Toxicological information

Eye contact	Contact with eyes may cause irritation.
Skin contact	Prolonged or repeated contact with skin can cause irritation.

SECTION 12

Ecological information

Data	None available
------	----------------

SECTION 13

Disposal considerations

Disposal	Incineration or landfill in accordance with local regulations
----------	---

SECTION 14

Transport information

Special precautions in carriage	None
Main risk	None
Subsidiary risk	None
UN number	None
Packing group	None
IMO / IMDG classification	Not controlled under IMDG

SECTION 15

Regulatory information

Label information	No supply labelling required under the Chemicals (Hazard Information and Packaging for Supply) Regulations.
-------------------	---

SECTION 16

Other information

Statement	The data in this safety data sheet has been supplied for the purpose of protecting the health and safety of industrial and commercial users who are deemed capable of understanding and acting on the information provided. The information given is based on current knowledge and experience and is intended to describe the products in terms of their health and safety requirements. It should not therefore be construed as guaranteeing specific properties.
-----------	---

DOCUMENT STATUS

This safety data sheet relates to the product named above as supplied by Nanjing Zhuohuang Industrial Technology Co., Ltd. It does not constitute a specification. Product technical properties are given in the corresponding technical data sheet.

Nanjing Zhuohuang Industrial Technology Co., Ltd.
Registered address: Building 201-10, Hengli Park, No. 399 Xiongzhou
South Road, Liuhe District, Nanjing 211599, Jiangsu, China
